Journeyman Electricians will plan electrical installation layouts, install and repair electrical wiring, fixtures, gear and controls for commercial lighting and other related technologies. Looking for a candidate that has experience in commercial lighting and electrical maintenance.

Duties will include:

- Design layout and installation of electrical wiring, equipment or fixtures based on project specifications and local codes.
- Follow wiring diagrams, blueprints and schematics to ensure electrical wiring meets project specifications and appropriate local electrical codes.
- Plan and manage new or modified electrical lighting projects, including responsibility for installing and terminating conduit wire, cable, electrical switches, controls, sensors, relays, circuit breaker panels, feeders, power systems and switchgear and other equipment.
- Operate and work from mechanical personnel lifts, both electric and gasoline powered, ladders and scaffolding to install, maintain or repair electrical wiring, equipment or fixtures.
- Maintain workflow schedule to ensure productivity objectives are met.
- Adhere to all safety policies and ensure that safety is paramount on all job sites.
- Other duties as assigned.

Desired Skills & Requirements:

- Current Texas State issued Journeyman Electrician's License.
- Flexible while working across multiple projects and adaptable in working across a fast paced environment.
- Positive attitude, team player, organized, reliable and self-motivated.
- Ability to problem solve independently.

- Good communications skills (verbal and written).
- Demonstrate leadership skills, take direction and work well with others.
- Excellent time management skills and ability to complete daily project activities according to work schedule.
- Meet attendance requirements and comply with late/absence notifications procedures.
- Display a high level of professionalism when interacting with customers.
- Valid driver's license and reliable transportation.
- Ability to work overtime occasionally.
- Basic electrician hand and power tools.
- Commitment to safety.
- Minimum 4+ years commercial electrical project experience.

Education:

- High School Graduate, GED or equivalent

Additional Screening:

- Previous employment
- Pass criminal background and drug screen

Compensation:

- Full-Time Pay: \$25- \$30 depending on experience.

Schedule:

- Primary work schedule: Monday through Thursday, 10 Hour Shifts.

Benefits:

- Weekly Payroll
- Performance/Incentive Rewards
- Vacation Time and Paid Holidays
- Company provided PPE/Shirts/Hats/etc.

Work Location:

- Primary Location: We are hiring for two locations, San Antonio, TX – OR – Houston, TX
- Travel – Up to 1 week at a time, company will pay for overnight travel expenses, company provided vehicle, plus per diem for projects located throughout other areas in Texas.
